

THE GANG

LA GANG

BY CAROL RODRÍGUEZ COLÁS, MARINA RODRÍGUEZ COLÁS

Ayman, a teenager of Moroccan origin, is invited by Sara to her party, in the same house where Ayman's mother works as a maid. Accompanied by Eric and Rober, his lifelong friends, he embarks on a journey full of confrontation on which they discover that life is not as they thought it would be and that, in the end, a will doesn't always mean there's a way.
