## ÈXTASIS

**BY ARIANA DORIC**

Adela often meets in a motel room with a man she's completely in love with. During these encounters, Adela keeps the TV on in the room while a dating show she is completely addicted to is broadcast. Days go by and Adela's relationship with him progresses in an idealized way. In the end, the viewer discovers that the presenter of the show turns out to be the man she supposedly meets in the motel and in reality everything happens inside her head without her realizing it.
