## LA PEGASO

**BY MARIA MARTOS**

Hell isn't red; it's electric blue, and it burns in *The Pegasus*. Katrina and Bruno, a young couple caught in the whirlwind of the night, head to the club seeking reckless fun. Loud music, sweat, strobe lights, and dry mouths pull them into a euphoria that soon spirals into chaos. A misunderstanding with the security staff sparks a brutal confrontation, where rage disguised as enjoyment exposes the vulnerability of a generation with no brakes. Who's truly responsible? A *neokinki* short film that explores the limits of pleasure and disorder, blending professional actors with non-actors in a raw portrait of youth lost in the night.
