

## WORDS OF LOVE

PARAULES D'AMOR

**BY ANDREA MORALES**

Ona, a twelve-year-old girl, has to spend a few days at her grandmother's house because her father's health has deteriorated severely and her mother has to take care of him in his last days. Her aunt Laia also lives in this house with her two children. For four years, Laia and her father have not spoken to each other due to a falling-out, and this has caused a lot of distance in the girl's relationship with her. Once Ona arrives at the house, she will have to live with people who are also suffering from a pain similar to hers, although the emotional distance that exists between them makes her task difficult. At the same time, Ona will have to deal with grief in advance.
