

FROM GOOD TO THE HOOD

AL OTRO BARRIO

BY MAR OLID

Trying to cheat the tax office has been too tempting an option for Andrés, but he didn't count on getting caught. And that's exactly what has happened to him. In addition to the million-dollar fine that has fallen on him, he must now move his offices to the neighbourhood of Los Caños, in the most marginal outskirts of the capital, or so it seems to him. But the fact is that Andrés was taking advantage of a juicy subsidy for having his headquarters there, without ever having set foot in the neighbourhood. Reluctantly, he and his employees move to Los Caños and it is not as bad as they expected... It is worse.
