

## JASMINE & JAMBO: THE SPECIALS

JASMINE & JAMBO: ELS ESPECIALS

**BY SÍLVIA CORTÉS**

Jasmine and Jambo are two friends mad about music. There are four holidays of the year that they like very much. They are traditional celebrations spread over the four seasons of the year: St. George's Day, St. John's Eve, Halloween and Christmas. They like to celebrate them so much that they always end up inside folk legends. And since they also play the music and the typical Soundland salsa, the stories end up taking a very original turn.
