

JASMINE & JAMBO: THE MOVIE

JASMINE & JAMBO: LA PEL·LÍCULA

BY SÍLVIA CORTÉS

Jasmine is a musical virtuoso. After the death of her parents, also musicians, she feels music itself is broken. At the theatre where they worked, she finds one half of a mysterious score, which leads her to Soundland, the land of music. There she meets Jambo, who explains the secret of the Eternal Score and its great healing powers. To mend the world's music, they need to join both half-scores. The problem is, he's going through a crisis of his own (feels that he's old and his talents are fading), and he has lost his half. They began an adventure by air, land and sea to bring musical harmony back to the world. Along the way, their friendship helps them put their sadness behind them.
