## SUPERNATURAL

**BY VENTURA DURALL**

Many people believe Malby, a famous shaman and spiritual healer, possessed supernatural powers. His own son Mathu, does not.

Mathu, a medical doctor, grew into the complete opposite of his father, a spiritual healer. While Mathu is an ascetic loner, his father, Malby, was a hedonistic womanizer. His controlled reality unravels when Anna, a devoted Malby believer, tries to convince him that his father saved her life through telepathic healing. Mathu is now forced to come to terms with his family trauma, while challenging Anna's beliefs. The confrontation turns into an exploration of the opposite beliefs between Science and Magic.
