

## THE HEROES OF VANDELLÒS

## **BY ÁLVARO SANZ**

On October 19, 1989, an accident at the Vandellòs 1 nuclear power plant brought Catalonia to a standstill. Just three years had passed since the Chernobyl disaster, and all alarms were raised. *The Heroes of Vandellòs* tells the story of the unsung heroes who managed to prevent what could have been the worst nuclear tragedy in Spanish history.
