

## WHAT ARE YOU WAITING FOR?

A QUÈ ESTÀS ESPERANT?

**BY DAVID MARTÍN-PORRAS, SALVADOR GARCÍA RUIZ**

A romantic comedy that recreates the encounters and misunderstandings of two couples who fall in love, but the fear of commitment prevents them from risking losing their independence, this is the new series based on the novels *What are you waiting for?* and *I'm not asking for so much* by the successful author Megan Maxwell, coming soon to Atresplayer.

A fresh venture, which combines glamour and comedy to talk about the contradictions of love and its variables in modern society while exploring erotic universes where you can enjoy sex without fear of falling in love.
