

# FIVE MORE MINUTES, PLEASE

CINC MINUTS MÉS, SI US PLAU

BY CARLOS R HARO

After the death of her mother, Mercè returns to the village house to sell it and hand the keys over to the new owners. Unexpectedly, there she is reunited with her mother. The opportunity to spend more time with her will make the most of the last hours before leaving the house to look for her and give her the experience that was left pending among them: travelling together in a hot air balloon. *Five More Minutes, Please* is a cry for help to the transience of time, and, at the same time, a tribute to life and memory.
