SIGUE MI VOZ

**BY INÉS PINTOR, PABLO SANTIDRIÁN**

After a health crisis that keeps her at home for 76 days in a row, Klara does nothing but listen to her favourite radio show, *Follow My Voice*. One day she wonders: can you fall in love with someone you've heard on the radio, but have never met? Can she really feel something for Kang, the host of the podcast and someone whose voice she has only heard once? Will she be able to overcome her fears and go out into the world again?
