LES FAUNES

BY SILVINA SCHNICER

Gema (38) and her daughter Juna (9) live in isolation in a peaceful forest where the natural and the mythical blend into their daily lives. Juna longs for a sibling, but her mother refuses. In a moment of impulse, Juna summons a faun, who appears at their door. When Juna realizes her mistake, it's too late. After the faun rapes Gema, a supernatural creature is born, quickly becoming an uncontrollable threat.
